

REQUIREMENTS FOR ALL SUBCONTRACTORS

All companies engaged in business at Derecktor of Florida, regardless of their billing status, must provide our office with Certificates of Insurance showing Derecktor of Florida as the certificate holder including address and identify Derecktor as an additional insured. This document must show proof of General Liability Insurance including Ship Repairers Liability Insurance (SRLI), and pollution insurance if applicable, with effective dates of policy and minimum limits of \$1,000,000 of coverage per incident and \$2,000,000 of overall coverage; Worker's Compensation Insurance (WC) coverage with minimum \$1,000,000 of coverage per incident and \$2,000,000 of overall coverage. A company with less than three employees may utilize a WC exemption as long as they provide proof of valid United States Longshore & Harbor workers (USL&H) coverage. Automobile Liability Insurance must also be registered with our office in order to drive a vehicle into the facility. Contractors who may be working directly for a vessel must still provide the Certificates of Insurance listed above.

Valid Certificates of Insurance must be on file with our office and kept in a current status prior to performance of any work on our property and it is the responsibility of each Subcontractor to insure current insurance requirements are forwarded to us as policies renew in order to remain on our active subcontractor listing.

The above Certificates of Insurance must be registered in our office in order to perform work in our facility. Kevin can be reached at 954-920-5756 x155, Gigi at x122, fax (954) 925-1146 or office@derecktor.com

All work for Derecktor is to be performed pursuant to a Derecktor Shipyard Purchase Order and each subcontractor must register their Federal Tax I.D. Number with our Purchasing Department.

Subcontractors must sign in and out at the front gate on a daily basis, indicating the name of the vessel or the project on which they are working. Subcontractors are required to comply with all applicable shipyard safety rules, environmental laws and OSHA laws and regulations and are expected to clean the area in which they working and dispose of all their own work waste.

Derecktor Shipyard is open to subcontractors from 7:00 am to 4:00 pm Monday through Friday. Weekends and after hours must be approved in writing by Management.
