

DERECKTOR FT. PIERCE

DERECKTOR

SHIPYARD & SERVICES GUIDE

FT PIERCE FACILITY

Derektor Ft. Pierce was developed with megayachts in mind, and it is home to the world's largest mobile boat hoist – a massive machine with a hauling capacity of 1,500 tons. This destination offers the superior service and project management Derektor clients have come to expect, and is conveniently located in Fort Pierce, FL, 90nm north of Fort Lauderdale. Situated directly inside Fort Pierce Inlet (3nm), the facility offers deep water access (28ft project depth) to the Atlantic Ocean with unlimited overhead clearance and a generous turning basin.

LOCATION

101 Port Avenue, Fort Pierce, FL 34950
T: +1772-595-9326 | F: +1 772-264-3899
Email: info@derektor.com

Brightwork, topsides, superstructure, non-skid, bottom paint

DERECKTOR DIRECT

Vessel Managed Option

Most US shipyards only offer one choice when it comes to the way yard periods are managed. Understanding that all customer needs are not the same, Derecktor now offers two options. Derecktor managed projects will continue to provide the expertise that sets us apart from other shipyards. But Derecktor Fort Pierce is now offering a second option: "Derecktor Direct"

- Ideal for Builders, Vessels, Management Companies that prefer to manage their own yard periods.
- For vessels over 500 tons, Derecktor Fort Pierce is the only option in the US for directly managed projects.
- Vessel Project Managed. Derecktor management is limited to supporting services.
- No mark-up on Vessel Direct contractors. Contractors are billed/managed and are the responsibility of the vessel.
- Vessel Direct Subcontractors to be approved in advance. Scope of work and number of workers to be managed directly must be approved in advance for 0% fee to apply. All contractors must abide by yard standards for safety, insurance, and environmental procedures.
- Services provided solely by Derecktor
 - Haul/Block/Launch (1500 ton Mobile Boat Hoist)
 - Bottom paint
 - Dockside services (storage/equipment/utilities/etc), at standard yard rates
- Haul by appointment, launch scheduled first come first serve.
- Dockage Rate \$6.50/ft
- Available at Derecktor Fort Pierce only, limited number of berths.
